Appearance is required for continued hearing on amended petition for appointment of conservator of the person and estate.

Missing citation for amended petition. Missing 15 days' personal service of citation with copy of the amended petition to proposed conservatee.

Court determination is needed as to request for bond. Bond request does not explain the basis for the requested bond amount. See Prob.C. § § 2320(c); C.R.C. 7.207.

It is recommended the court deny the request for §§ 2590–2591 powers set forth in supplement to petition. Petitioner's requests to do not correspond to the probate code. For example, § 2591(a) powers relate to operation of a business of conservatee; petitioner has not alleged there is any business to operate. § 2591(n) powers related to the exercise of stock rights and options; petitioner has not alleged there are securities in the estate. § 2591(p) powers relate to claims to real property, certain claim settlements, claims for support or wrongful death, and arbitration of certain claims (see §§ 2501(a), 2502, 2504 & 2406); petitioner has not shown that any of these circumstances applies to this conservatorship.

Although the prior hearing minutes indicate the court reviewed additional components of a capacity declaration, no complete, signed declaration has been filed. A completed, signed declaration is required to be filed.

Note: any conservatorship order cannot be effective until at least February 20, 2027. The clerk will not issue letters of conservatorship until just prior to the effective date.

10. S-PR-0014456 In Re the Conservatorship of Frost, Carol Darlene

Appearance is required for hearing on petition for appointment of conservator of the person and estate.

Missing sufficient citation. The citation issued by the clerk on October 1 was modified by petitioner after issuance and before service. A citation is a court order and cannot be modified by the petitioner before service. New citation and 15 days' personal service are needed.

Missing Attachments 3f(1) and 3f(2) to the petition.

Missing request for bond or to waive bond (¶ 1c). Based on the allegations at ¶ 3e, bond of $2,582,226.72 is required under C.R.C. 7.207.

11. S-PR-0014468 In re the Conservatorship of Indihar-Corey, Gail Denise

Petition for appointment of temporary conservator of the person and estate

Appearance is required for continued hearing on petition for appointment of temporary conservator of the person and estate.

The petition was previously granted.

Petition for substituted judgment

Appearance is required for hearing on petition for substituted judgment.

Missing any response by court-appointed counsel for temporary conservatee.

It is recommended the petition be denied as follows:

The petition does not specify any "proposed action" or "proposed transaction" for the court to evaluate. The statute allows a petition to authorize conservator to "take a proposed action," not to grant to conservator expanded estate management powers to take unspecified actions which have not been evaluated by the court. See, inter alia, §§ 2580(a), 2582, 2583, 2584. The court must determine whether "to authorize or require *a proposed action*," not whether to grant expanded estate management powers. Prob.C. §§ 2583–2584; compare Prob.C. § 2590–2591 (sections permitting conferral of expanded powers). The petition refers to one unspecified annuity, but does not propose taking any identified action with respect to that annuity. The petition concedes temporary conservator has no other information about accounts which are payable to or held for the benefit of temporary conservatee, and proposes no specified action(s) with respect to such accounts. Substituted judgment relief thus appears to be unavailable.

These calendar notes are not a tentative ruling by the court on the merits of the petition. They are provided to assist the parties and the court to prepare for the hearing. Local Rule 80.1.4.
