

Civil Law - Hearing Types

In order to appear via telephonic appearance, parties must check to see if their hearing type requires a judicial officer's approval. If the hearing type requires a judicial officer's approval, parties **MUST:** 1) request to appear by telephonic appearance from the judicial officer **AND** 2) schedule the appearance through the website. If a party schedules an appearance, but the judicial officer denies the request, the party will need to cancel the appointment online. Failure to cancel and notify the court will result in the forfeiture of the appearance fees.

If you wish to appear via telephonic appearance **AND** your hearing type does not require a judicial officer's approval, simply schedule an appearance online at the court's website: www.placer.courts.ca.gov
