The Placer County Grand Jury organized itself into Committees for investigations and studies of complaints, and legally required oversights. The 1999-2000 Grand Jury had eight Committees for the year:

Audit and Finance Committee

Cities Committee

Continuity Committee

County Administration Committee

Criminal Justice Committee

Health and Welfare Committee

Schools and Libraries Committee

Special Districts Committee

Results of Committee work are examined and adopted by the Grand Jury as a whole.

The 1999-2000 Grand Jury had members who live throughout Placer County. The members of the Grand Jury come from both the private and public sectors. These diverse backgrounds help bring the complaints received into focus for study and investigation.
