Reference: 2001-2002 Placer County Grand Jury Final Reports

Dear Judge Garbolino and Judge Couzens:

Herewith submitted are the Final Reports from the 2001-2002 Placer County Grand Jury. Final Report 1, Burton Creek, Sheriffs Substation was issued earlier in the term. This report and the response are included in this document.

The success of the Grand Jury depends on the appointed and elected officials of Placer County and their support staff. The Grand Jury would like to thank individuals for their assistance during this term: County Auditor-Controller Katherine Martinis and staff. All of these individuals have given invaluable support and assistance in preparing the Final Reports. The Grand Jury conveys to them our sincere thanks.

Judge J. Richard Couzens was the Grand Jury advisor this year. We extend our thanks to him for his helpful and accommodating assistance. The Grand Jury also thanks the many department heads and other County officials who gave their time to prepare and present documents and answer questions that were required. We believe that the citizens of Placer County are fortunate in having many hardworking, dedicated County officials and employees.

The members of the 2001-2002 Placer County Grand Jury are honored to have had the opportunity to be of service to the County. We have served both the Superior Court and our fellow citizens with diligence and industry. We hope our efforts are received as a positive contribution.

Sincerely,

Stan McClung, Foreman
2001-2002 Placer County Grand Jury
