**THE SUPERIOR COURT OF PLACER COUNTY ANNOUNCES  
UPDATED ACTIONS IN RESPONSE TO COVID-19 VIRUS  
UPDATED MARCH 25, 2021**

The Superior Court of Placer County is announcing changes to its operations due to the impact of the ongoing COVID-19 pandemic.

Due to a decline in COVID-19 cases in Placer County, the State of California moved Placer County to the red “substantial” tier in its Blueprint for a Safer Economy on March 9, 2021. The reduced transmission rate is encouraging, and the court continues to reassess the service changes made due to COVID-19.

The court continues to balance its obligations to provide access to justice with the need to protect the health of the public, parties, attorneys and justice agency staff entering our courthouses, along with the health and safety of our judicial officers, employees, and court security. The court continues to adhere to physical distancing guidelines and face covering requirements.

Based on these factors, along with the remaining risk of COVID-19 variants, the court is announcing the following changes to service levels:

- All small claims cases will continue to be held by video appearance through at least May 31, 2021. Parties are required to upload all evidence to the court’s evidence sharing platform prior to their court date. Please see the court’s remote appearance website for more details: <http://www.placer.courts.ca.gov/RAS.shtml>.
- Civil settlement conferences will continue to be held by video appearance through at least May 31, 2021. Please see the court’s remote appearance website for more details: <http://www.placer.courts.ca.gov/RAS.shtml>.
