**PLACER SUPERIOR COURT DISCONTINUES  
COURT CONNECTED CHILD CUSTODY EVALUATION CONTRACTS**

Effective June 30, 2022, the Superior Court of Placer County will discontinue contracting with providers of child custody evaluations in Family Law cases.

This discontinuation of court-connected child custody evaluations will eliminate the need for the parties to wait for extended periods of time for the availability and appointment of court-connected contract evaluators for partial or full family law evaluations. The parties will have the option to select private evaluators who are able to begin the evaluation process based on their private practice schedules.

In light of this change, beginning July 1, 2022, the Placer Superior Court will have a list of available private child custody professionals in court and posted online at: <http://www.placer.courts.ca.gov/division-family-resources-families.shtml>. This list only provides contact information of the child custody professionals and constitutes neither an endorsement nor recommendation by the Court.

The Court will continue to provide confidential mediation and court-ordered information gathering mediations at no cost to the parties.
