PLACER COUNTY RESPONSES TO 2024-2025 GRAND JURY FINAL REPORT NOW AVAILABLE

The Placer County Superior Court announces that official responses to the 2024-2025 Placer County Grand Jury Final Report have been received and are now available for public review.

Each year, the Placer County Grand Jury investigates various aspects of county and city government, special districts, and other local agencies. Upon publication of the Final Report, the law requires that governing bodies and elected officials provide written responses to the findings and recommendations within a specified timeframe, as outlined in California Penal Code sections 933 and 933.05.

The 2024-2025 responses address topics investigated in the Placer County Grand Jury's Final Report, which included the following: Health and Welfare, Criminal Justice, County Administration, Schools and Libraries, Special Districts, Cities, and Audit and Finance, as well as the mandated review of Placer County Detention Facilities.

The report is being published primarily in electronic format and is available on the Superior Court's website at www.PlacerGrandJury.org. Hard copies are being distributed only if requested. If you desire a hard copy, please email your request to the Placer County Grand Jury at info@placergrandjury.org. Include your contact name and complete mailing address.

The Placer County Grand Jury is an investigatory body with the authority to act as a watchdog on local government, investigates citizen complaints, and assist in criminal matters at the request of the district attorney.
